

## **HELEN FLEMING**

**"Where will we be when Helen retires?"**

**We need her more than we realise**

**We wish her well despite our sighs**

**Fair Helen of the Tuesday class**

**O Helen fair oh Helen bright**

**For many years on committee nights**

**Our super sec has kept us right**

**Fair Helen of the Tuesday class**

**Unflappable Helen with practised pen**

**Writes letters, minutes and only then**

**Gives of her time to the Lib Dems**

**Fair Helen of the Tuesday class**

**So Helen thanks from those you've left behind**

**No task too much did you ever find**

**Relax and enjoy your leisure time**

**Fair Helen of the Tuesday class"**
